BERNARDIAN 1985

Saint Bernard's Central Catholic High School

Fitchburg, MA 01420

Volume LVII

*I was lost on a winding road,
I thought that life had nothing left to give,
Then you came and showed me that just to live
Was the greatest gift of all
And you showed me **Life is a Celebration***

Coming into St. Bernard's for the first time as freshmen we were unsure of ourselves and perhaps a little bit frightened of the years that lay ahead.

Expecting the worst on Freshmen-Senior night we soon learned to relax with our classmates and thoroughly enjoyed the night.

Learning the ways of the school helped to make our first year of high school the start of a new and exciting time in our lives.

Entering as sophomores, we walked through the halls with confidence and felt so much more important, now that we were no longer the youngest.

Building lasting friendships from the ones we began freshman year was a major part of our lives as sophomores and all of us began to appreciate how much we meant to each other.

Reaching the end of our sophomore year, we couldn't believe how quickly the time had passed as we realized our high school days were already half over.

Acquiring our new status as upperclassmen, Junior year was a time of growing and changing and became a year filled with exciting times we will never forget.

Trying to make the most of our time as Juniors, we accepted our rings at Ring Ceremony with gladness as they strengthened the bond that already existed between each of us as a class.

Emerging as a class with our own distinct personality, J.S.R. brought us closer together and gave our friendship and closeness a new meaning.

Laughing at our Freshmen, on the Freshman-Senior night hosted by our class we remembered our own Freshmen days and it hit us that our last year at St. Bernard's was well underway and passing quickly.

Involving ourselves with our Senior homecoming, we were busy decorating halls and cheering on the football team but still made the time to look into colleges and careers.

Finding the year quickly drawing to a close we cherished our last moments spent together as a class, our prom and graduation.

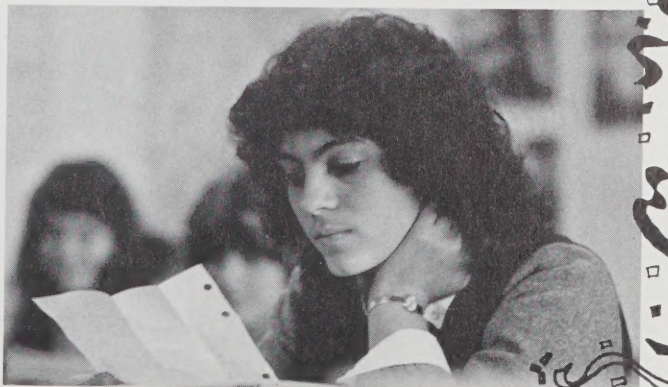

Ending our Senior year, the last of our four years of high school, we will always remember the good times that we spent at St. Bernard's and those memories will always help us to remember that "**Life is a Celebration.**"

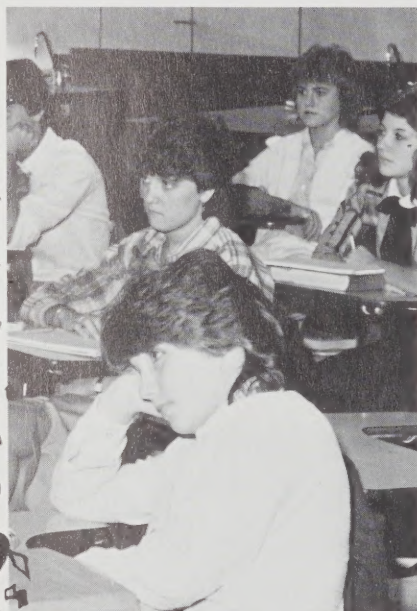

MEMORIES

Life is a celebration . . .

Look its a revelation . . .

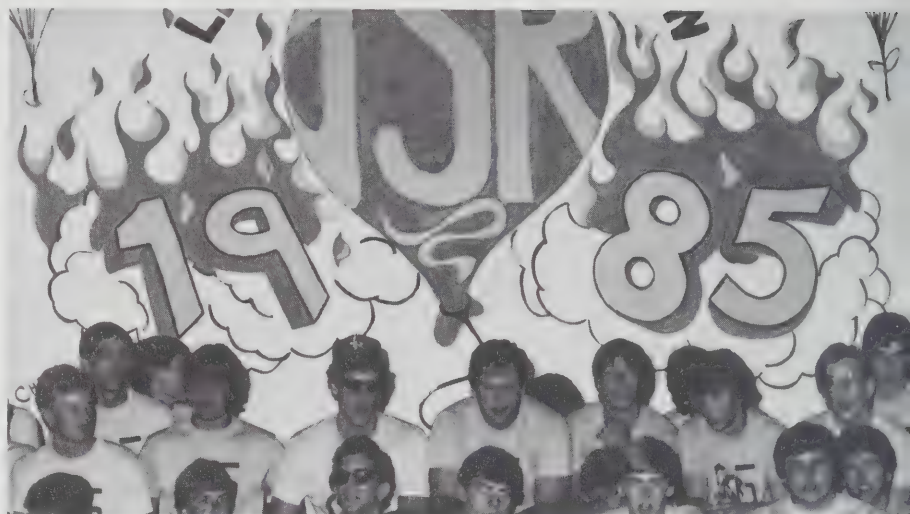

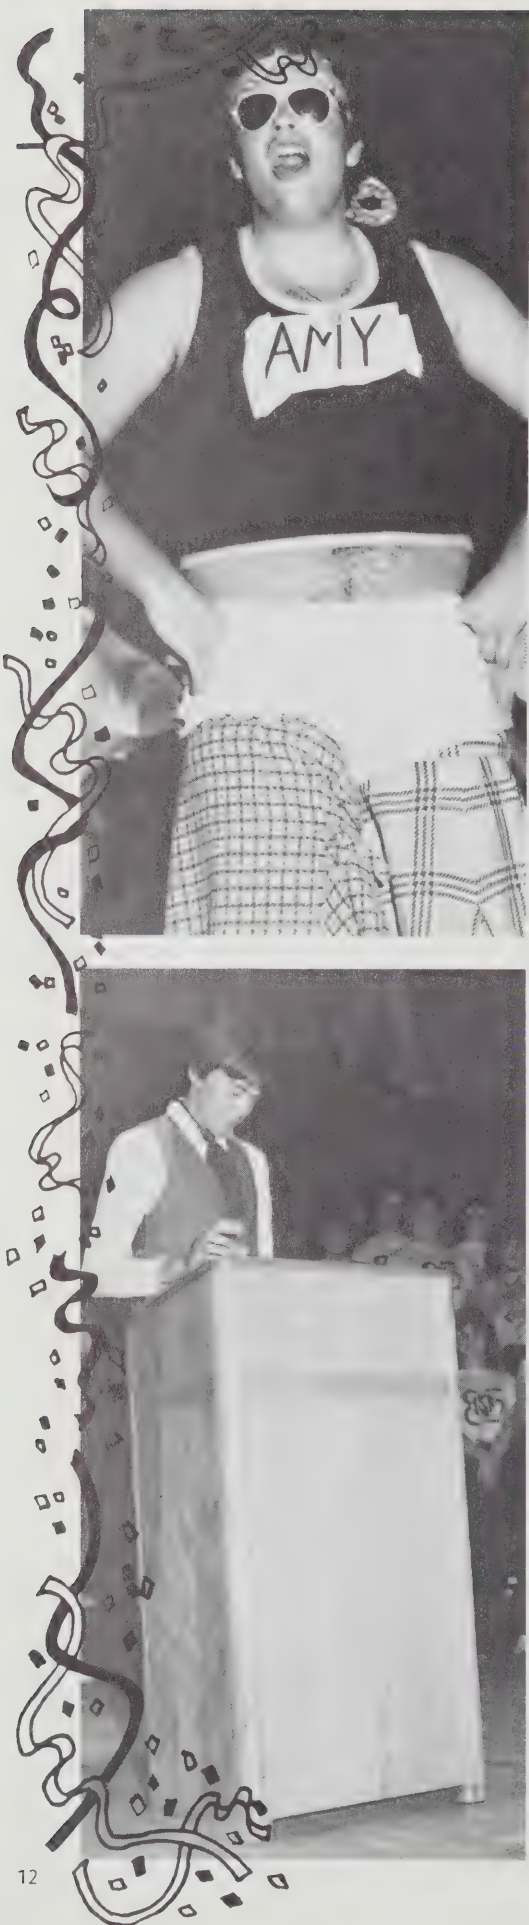

So Celebrate Now . . .

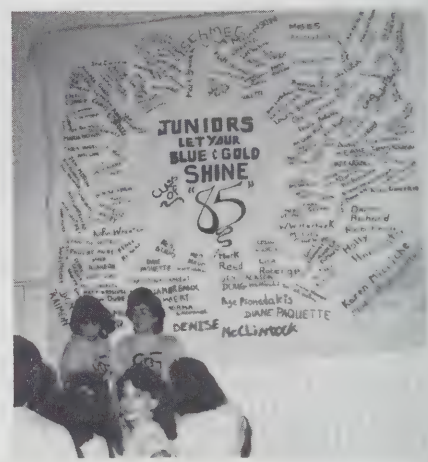

Our **Junior-Senior Reception** was one of the highlights of our Junior year. Starting off with a dinner for the seniors, we gradually moved into an evening filled with laughter and fond memories. How could any of us ever forget the male cheerleading squad, the clowns, the Sumo-wrestlers (Bernardian style), or our own version of Family Feud. Hearing the laughter pouring forth from the seniors made the hectic, exciting weeks of preparation before J.S.R. worthwhile. It had brought us closer together and was a combination of hard work and a lot of good times. All our efforts proved to be worthwhile and resulted in a memorable show which became our own celebration of the years we had spent here.

Dear Graduates:

You have my prayers and best wishes as you leave Saint Bernard's Central Catholic High School and begin a new stage in your lives.

The principal lesson your teachers tried to teach is that God loves you. I hope you will never forget it. He has given you the gifts of faith, hope and love. Your parents and teachers have tried to lead you in cherishing those precious treasures, and putting them into practice.

May the grace of living those virtues be yours today and always.

With blessings and good wishes.

Devotedly yours in Christ,

Freshman-Senior Day And Night

Freshman-Senior Night was a time of initiation for the freshman. Although the seniors played pranks on the freshman, these jokes were done with the idea of welcoming the "baby frosh" to the Bernardian family.

Homecoming

Homecoming week was filled with a variety of activities such as Chivalry Days, Flower Day and Hall Decorating Day. The rally for the football team was the highlight of the week's activities. Homecoming queen and king were Christine Cormier and David Ferrera and court members were Lisa Forster, Neal Ambrose, Brenda LaCombe, Kevin Walsh, Racheal Arseneau, Stephen Brideau, Kerry Novaroli and John St. Jean. The football team crowned the week with a 6-0 win over St. Peter-Marian.

The readings were said by Susan Raymond, Michelle Boot, and Cynthia Caron during the mass celebrated by Fr. Blizzard. The altar servers were David Hoeske, Tom O'Connor, Todd Richards, Shaun Favreau, and Ennio Carbone.

The Senior Class Play, *Don't Drink the Water*, by Woody Allen, is about an ill-fated vacation trip and the hilarious exploits that surround an American family of tourists who, mistakenly are taken for spies by the Communist police while sightseeing in an Eastern European country. What follows is a series of diplomatic misadventures which could set American Foreign Policy back 100 years! The Seniors performed the play on January 11 and 12 in the auditorium, and a wonderful time was had by both the hard working cast and the audiences both nights. The play was truly a success, and will long be remembered by everyone involved.

Christmas Dance

The 1984 Christmas Dance held at the Activity Center on December 23rd was a night to remember. Co-chairmen for this event were Neal Ambrose and Christine Root.

SPORTS

Sports is a very important part of life at Saint Bernards. Even though we don't win every game, we are still the best team in our minds. Our athletes work hard for what they achieve, and sometimes are not given the credit they deserve. Sports are, and will always be, an important part of Saint Bernards.

Dedication 1985

Miss Susan Rampello

Dear Miss Rampello:

We, the Senion class, are proud to dedicate our 1985 Bernardian to you. Throughout our four happy years at St. Bernard's, you have become a special part of our most cherished memories.

We thank you for your junior English classes, your support and work as cheering coach, your advice and hardwork in extra curricular activities. You have given us the gift of your enthusiasm and spirit, and shown us that life truly is a celebration.

It is with these thoughts in mind that we dedicate the 1985 Bernardian to you.

With all our love, and thanks,

The Class of 1985

Life Is A Celebration

*I was lost on a winding road
I thought that life had nothing left to give
But you came and showed me that just to live
Was the greatest gift of all*

*And you showed me life is a celebration
Come on now and celebrate
Life is a celebration, come on now and celebrate, celebrate
Life is a celebration
Look it's a revelation
So celebrate, now celebrate life, Yeah!
Celebrate now, celebrate life, Yeah!
Celebrate now, celebrate life, Yeah!
How could I have been so blind?
Just to think that we were living to die
You came along and I was no longer alone
And you led me to the light*

And you showed me life is a celebration

Sister Mary Consilia P.B.V.M. 1904-1984

"High upon the ugly rocks
the stately houses stand,
Come and see my shining
palace built upon the sand."

Anonymous

Sister helped us build dreams, care for our God and each other, and always listened with the wisdom of a sage. In a world which many perceive as ugly, she made the houses of ourselves strong and beautiful, always, acknowledging God as the architect and love as the furniture. We now know that she shares in the palace of Our Father, seated at the eternal Banquet.

Thank you, Sister, for the gift of you.
